OUR HISTORY

Peninsula College Georgetown, formerly acknowledged as ALC College, is proudly treading into its' magnificent 21st year in tertiary education.

Holding devotedly to our motto – “Your Employability...Our Priority”, Peninsula has always been conscious to not limit our academicians with a strong background of subject matter, but also a significant industrial shade that assures distinctive entrepreneurial and industry expectations tutoring to students. Probably, this could be our niche of producing graduates with 100% employability record for all these years.

The year 2017 flagged the notable expansion of Peninsula Higher Education Group which includes awarding of MS ISO 9001: 2015 and welcoming of new academic partner, University of Plymouth, UK, in addition to our years long distinguished partner, University of Gloucestershire, UK.

Becoming wholly-owned by PKT Logistics Group Sdn Bhd, a prominent ownership made Peninsula being the pioneer in Southeast Asia to build state-of-art corporate campuses in Selangor and Penang, Malaysia. This enables students' learning to be colliding with the real working environment, a platform for them to enhance their academic knowledge through the hands-on exposure.

The institution is unwavering on its primary mission of providing far-reaching and holistic learning environment. The Ship Campus located in Batu Kawan, Penang, is designed with the campus-in-industry model, whereby having a physical presence in an industrial park puts us in a unique position to bridge the gap between graduate skills and industry needs via academia-industry collaboration. Our other 2 campuses, The Lighthouse Campus in Shah Alam and The City Campus in Klang are also designed to encourage learning in a real-world corporate environment.

Peninsula College Georgetown – “Your Employability...Our Priority”

VISION, MISSION & INSTITUTION PHILOSOPHY

Vision

To be a leading higher education provider of industry-relevant courses

Mission

Peninsula College is socially responsible institution of higher learning providing industry driven teaching within cutting edge campus buildings, located within a business environment. Its activities aim to inspire and enlighten businesses and communities to produce a positive impact upon individuals, industry, and society.

Institution Philosophy

To achieve organisation and individual aspirations which bring fulfilment and happiness to life

DIPLOMA OF ACCOUNTANCY STRUCTURE

Approval Code	(N/344/4/0521)
Accreditation Code	FA10069
Classification	Diploma
Subject Area	Accounting
Course Mode	Full Time
Course Duration	2 Years (6 long semesters) / (14 weeks per long semester)
Course Location	The Ship Campus
Intakes	January / May / September

PROGRAMME OVERVIEW

The primary aim and objective of this programme has been to train and provide a variety of skills to students, including analytical and critical thinking skills so as to produce graduates who can eventually be in leadership roles in major organisations in industry and commerce, in academia and in public sector. These are in line and supportive of the vision and mission of the College to not only become a centre of excellence for creativity and innovation but also to develop a knowledgeable and cultured society.

Upon completion of the diploma programme, students could further their studies to Degree in Accounting or any related courses. Graduates are well equipped with accounting related knowledge and skills which will enable them to find employment opportunities including commercial bank, finance department, purchasing, business management and others. The competencies of students in various learning domains would promise a more prominent future.
